Peaceful Endeavours

**We Welcome You To Our Spring Labyrinth Program  
Bringing Awareness Of The Labyrinth Society's, World Labyrinth Day**

**“WALK AS ONE @ 1”**

**WHEN: Saturday, May 3<sup>rd</sup> - Open - Noon to 2:00 p.m.  
1:00 p.m. – Group Walk**

**WHERE: JOHNS HOPKINS BAYVIEW MEDICAL CENTER  
4940 Eastern Ave., Baltimore, MD 21224**

*Details: See attached map: The labyrinth is located below the **Burton Pavilion** and above the Employee lot at the bottom of the map, near Eastern Avenue. The closest Parking Garage is just past the labyrinth – across from the blue awning. Folks will need to pay for parking.*

*Since the Labyrinth was first built, several enhancements have been added to the labyrinth to provide a more peaceful experience. A peace pole was placed there as a handcrafted monument and symbol of peace. The word "peace" is written in many different languages on it. In 2011, a fountain was added to the labyrinth's healing space to provide soothing sounds and it is surrounded by a beautiful garden. You are welcome to linger awhile, after the walk, and reflect on your experience.*

*Come spend part of this wonderful occasion to link up with others walking at the same time around the world!*

***Our Focus: Walking to recapture our “INNER PEACE”***
